

Card Edge Connectors

One of EDAC's original product families, the Cardedge+ family of card edge connectors has grown to become one the largest offerings available in the market. Available in a number of contact spacings, with multiple options for contact terminations, plating thicknesses and mounting styles, providing our customers more flexibility with their designs.

Features

- Card Edge connectors available in excess of 350,000 standard parts, and capabilities to produce custom variations
- Contact spacings of 0.050", 0.100", 0.125", 0.150", 0.156" and 0.200" Selective gold plating on contact mating area or gold all over with nickel under plating
- PCB thru-hole, wirewrap, solder eyelet, extender board tail, and other specialized contact options
- From 2 to 188 contacts in single, bridged, and dual rows with or without card supports
